Professional Experiences

Primarily works on international transactions involving multinational corporations.

His responsibilities involve tax litigation, criminal tax and tax audit consulting, transfer pricing policy, tax risk management, co-ordination of subsidiaries' activities in addition to providing all necessary technical assistance to Group enterprises.

He has advised clients across a number of industry sectors on a wide variety of international tax issues including cross-border mergers, acquisitions and corporate re-organizations for both, foreign and Italian corporations.

Salvatore has also a strong theoretical and practical background in tax litigation.
