COMPETENCES AND PERSONAL MOTIVATION

Determination, curiosity, willpower, flexibility and willingness to adapt are the daily ingredients I put in everything I appreciate to do and which have always led my university and professional career.
Work experience has allowed me to develop a good level of mastery in the use of Italian GAAP and IAS-IFRS accounting standards and in the analysis of financial statements of client/target companies operating in different industrial business sectors (being also involved in the audit team of an important multinational company operating in the fashion and luxury goods sector), in addition to aptitude for collaboration and teamwork, ability to communicate and coordinate, problem-solving skills.
I am passionate, ambitious and always ready to take new challenges and it would be very stimulating for me the possibility to further develop my professional role of financial analyst.
