(May 2015 – May 2018)

Achievements and responsibilities:

Providing guidance and legal assistance to clients on intellectual property strategies as well as supporting and assisting them in determining the proper strategic IP legal options to protect their needs. Particularly, advising them in the process of obtaining, granting and registering patent licenses before the corresponding organizations; drafting of legal documents, such as NDA, licensing agreements, trademark coexistence contracts, among others; drafting of feasibility reports for trademark registration, search of priority, and pre-patentability reports. Organization of events, training breakfasts in the field of IP; IP conferences, debates, IP webinars, IP trainings and seminars acting as speaker; managing the national and international client portfolio and the related commercial relations; identifying potential customers through market analysis. Collaboration and development of European projects by managing the intangible rights of the members of the European consortium in order to protect their intellectual property

International Project Manager, Leitat, Barcelona, Spain

(September 2014 – May 2015)

Achievements and responsibilities:

Legal support, management and collaboration on European projects under different funding schemes (FP7, CIP, LIFE+, H2020); analysis, preparation and revision of Consortium and Grant Agreement; identification and legal management of Intellectual Property issues during the different stages of European

Projects; organization of project's meetings and events, maintaining dialogue with customers and partners; legal support and collaboration for improving the DESCA2020'S Model Consortium Agreement

Junior Project Officer, Mobiel21 vzw, Leuven, Belgium

(March 2013 – May 2014)

Achievements and responsibilities:

Legal support, research and collaboration on several projects funded by the EU such as Epomm, Mobi, Stars and Together; public relations, organization of project's meetings and events, contacts with project partners and relevant stakeholders, financial reports to the European Commission; update of project's website, translation of legal documents

Intern in the European Competition Network Unit of the Directorate General for Competition, European Commission, Brussels

(January 2012 – February 2013)

Achievements and responsibilities:

Examination of antitrust cases, institutional framework, comparative law; relations and cooperation with Italian Competition Authority on antitrust cases and policy related issues, providing national expertise and language support in Italian; research and collaboration for the article "The European Competition Network-Recent Developments around the cooperation in Competition Enforcement in the EU", published in the law journal *Concurrences*; assistance and cooperation for updating a chapter on cartel enforcement in the book "The EU law of Competition" by Faull and Nikpay
